

# Antitrust & Legal Reminder for Training Session: Walmart's 2023 Sustainability Survey – How to report progress

- The purpose of this webinar is to share educational materials related to reporting to Walmart's 2023 Sustainability Survey
- However, be mindful that you may compete with other participants attending the Webinar and, therefore, you should avoid discussing:
  - Any agreements or understandings to limit any aspect of competition; and
  - Competitively-sensitive information, including pricing, costs, margins, and other price-related or confidential terms of sale; forward-looking strategies or business plans (discussing, for example, a specific customer, geographic, or segment focus); and non-public information regarding employee recruitment strategies and/or wages/benefits.
- You will have an opportunity to discuss sensitive strategic issues with your Walmart buying team on an individual basis – **do not do so** in front of your competitors.
- If you have any questions, please contact your company's legal counsel.

THIS TRAINING DOES NOT CONSTITUTE LEGAL ADVICE. SUPPLIERS SHOULD CONSULT THEIR OWN COUNSEL WITH LEGAL QUESTIONS RELATED TO CLIMATE REPORTING.

# Walmart's 2023 Sustainability Survey

How to Report Progress

GLOBAL  
RESPONSIBILITY

# Housekeeping

- **This meeting will be recorded and available on the Training and Webinar page**
- **Please use the Q&A feature at the bottom of screen to ask your question.**
- **Questions will go directly to the panelists and may be answered live or in the Q&A section.**
- **Please do not change the speaking language for the captions**

# Agenda

**01**

**Walmart's  
Regeneration  
Commitment**

**02**

**Overview of the  
Sustainability  
Survey**

**03**

**Supplier Journey  
Walkthrough**

**04**

**Deep dive into  
Project Gigaton**

**05**

**How to get help**

“

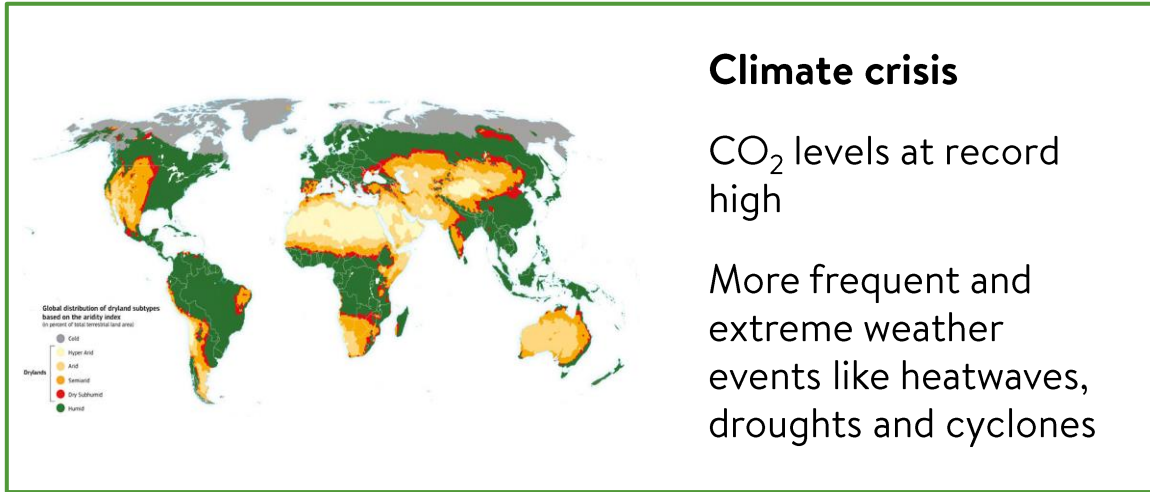

Walmart is on a path to become a regenerative company, one dedicated to placing nature and humanity at the center of our business practices.”

---

**Doug McMillon**

President and CEO, Walmart Inc.

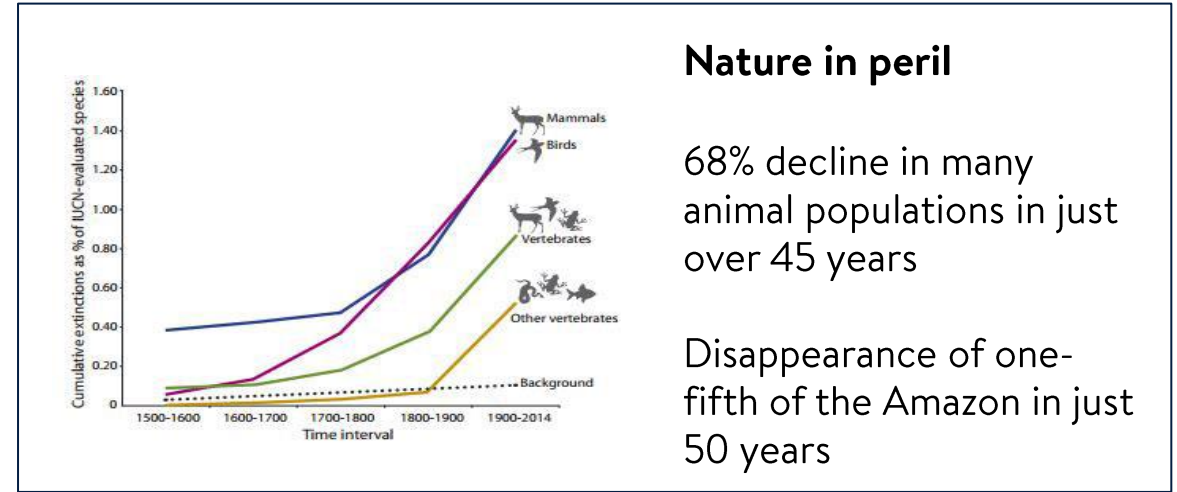

# Why Now?

## Climate crisis

CO<sub>2</sub> levels at record high

More frequent and extreme weather events like heatwaves, droughts and cyclones

## Nature in peril

68% decline in many animal populations in just over 45 years

Disappearance of one-fifth of the Amazon in just 50 years

## Waste on the rise

Annual flow of plastic into the ocean set to nearly triple by 2040

One-third of all food produced in the world is never eaten

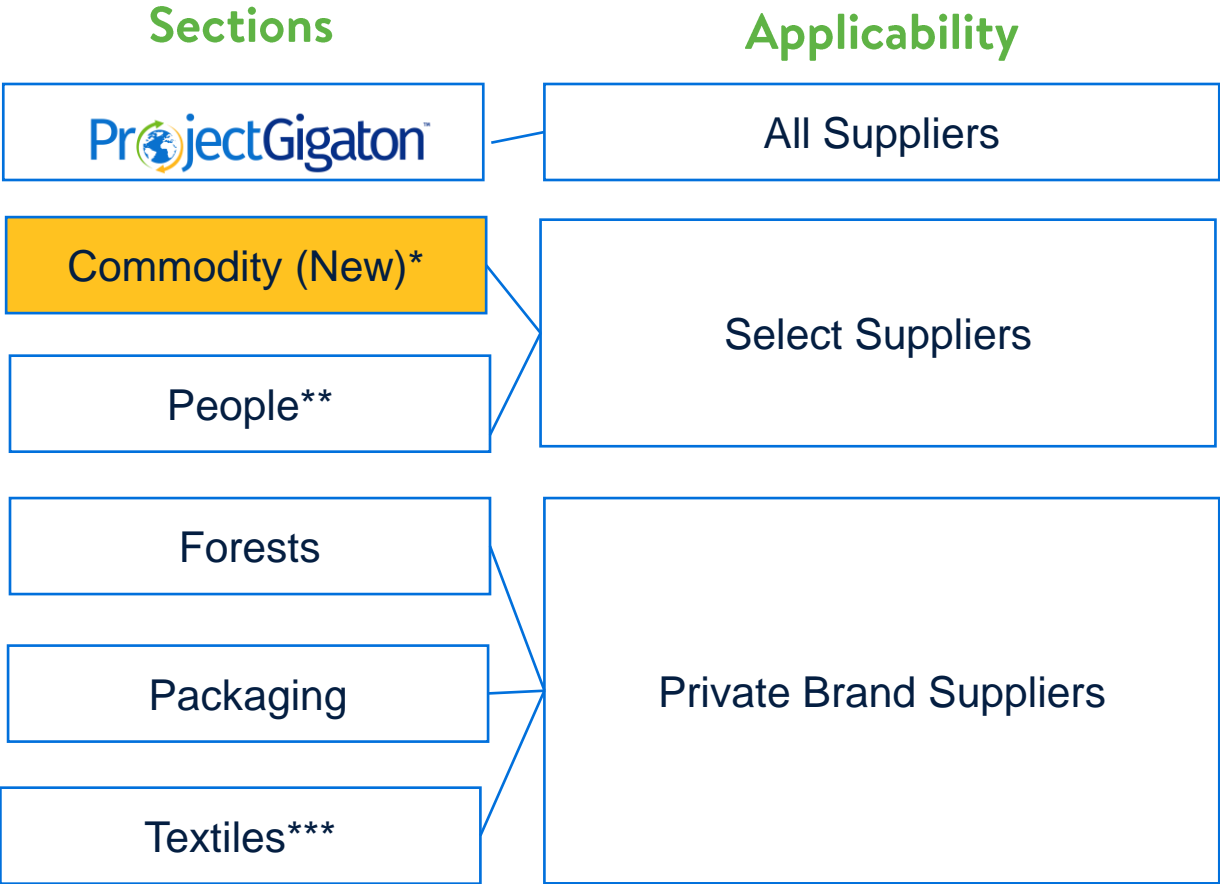

## Injustice

40M+ victims trapped in modern-day slavery

2B+ people in developing countries depend on agriculture for their livelihoods

# 2023 Sustainability Survey Sections and Dates

**September 5th -  
November 3rd**

Additional guidance and training at <https://www.walmartsustainabilityhub.com/article/trainings-and-webinars>

\* Applicability depends on the commodities in your supply chain.  
\*\*Suppliers for select departments (Seafood, Entertainment, Produce, Home, and Apparel Suppliers). Optional for others.  
\*\*\*required for Private Brands suppliers and recommended for National Brands suppliers.

# Project Gigaton™

Goals (by 2030):

1. reduce or avoid 1 billion MT of emissions
2. protect, restore, more sustainably manage 50M acres of land and 1M mi<sup>2</sup> of ocean\*

\*with the Walmart Foundation

## Energy

Renewable Energy  
Energy Efficiency

## Nature

Regenerative Agriculture  
Forestry

## Waste

Food, Solid Waste Reduction  
Recycling, Composting

## Packaging

Recyclability Reduction

## Transportation

Optimized Shipping  
Zero Emission Vehicles

## Product Use & Design

Design Optimization  
Sustainable Sourcing

Major Contributors

# Commodities Section (New)

Goal (by 2025):

1. Source 20 key commodities more sustainably

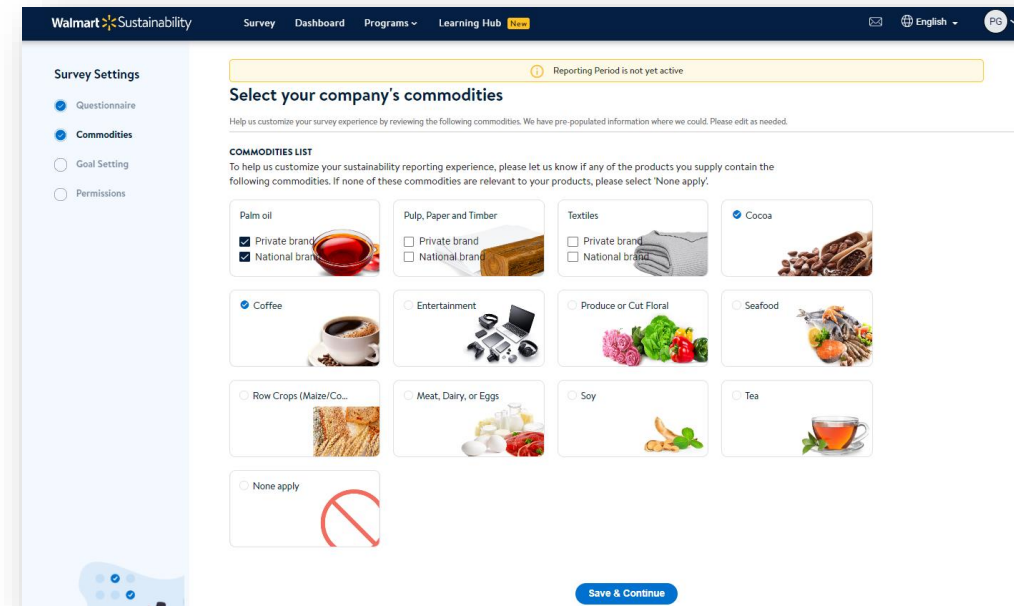

**Supplier Applicability:** Suppliers of Beef, Soy, Produce, Cut Floral, Coffee, Cocoa, Tea, Palm Oil, Eggs (be sure to update your survey settings)

## What is asked:

- Total volume of commodity sourced to Walmart/Sam's Club or in products (depending on commodity)
- Total volume meeting a specific criteria depending on commodity

## Where to access help:

- Walkthrough video on the Sustainability Hub and the new Learning Hub

# People Section

**Supplier Applicability:** Seafood, Entertainment, Produce, Apparel, Home Suppliers

## What is asked:

- Set goals and report progress on
  - Recruitment practices and capacity
  - Worker and community empowerment
  - Transparency

## Where to access help:

- **Introduction to Program on People – Responsible Recruitment** (August 2023) [View Resources](#)
  - Part I: People Program Overview [Replay Link](#)
  - Part II: People Program Best Practice Reporting [Replay Link](#)

Goal (by 2025):

1. Make responsible recruitment standard business practice by 2026
2. Address the potential risks to the dignity of workers in 10 retail supply chains by 2025

# Private Brand Only Sections

Section	Private Brand Supplier Applicability	Walmart Goals for Private Brands	What is Asked?
Packaging	All	100% recyclable, reusable, or industrially compostable by 2025 17% post-consumer recycled content in plastic packaging 15% virgin plastic reduction by 2025	<ul style="list-style-type: none"> <li>Data on primary packaging materials, use, formats, and labeling</li> </ul>
Textiles	Suppliers of textile products	By 2025, for apparel and home textile products: <ul style="list-style-type: none"> <li>Source 100% “more sustainable” cotton</li> <li>Source 50% recycled polyester</li> <li>Ensure that no manmade cellulosic fibers are derived from ancient or endangered forests</li> </ul>	<ul style="list-style-type: none"> <li>Volume of applicable fiber types sourced to Walmart and Sam’s Club</li> <li>Volume of “preferred fiber” sourced</li> </ul>
Forests	Suppliers sourcing palm oil or pulp/paper/timber	By 2025, source palm oil and pulp/paper/timber in accordance with Forest Policy	<ul style="list-style-type: none"> <li>Total volume of Palm Oil or Pulp/Paper/Timber sourced to Walmart</li> <li>Total volume meeting a specific certifications criteria</li> </ul>

# Our ask of suppliers

1

## Sign Up to the Sustainability Portal & Project Gigaton

Visit the Walmart Sustainability Hub and [sign up](#) using their Retail Link account

2

## Set Goals

Work within their organizations to set sustainability [goals](#) and add them to Project Gigaton.

3

## Report Progress Annually

During the reporting period (Sept. 5-Nov. 3, 2023), report progress in Project Gigaton and all other sections shown on their survey dashboard

4

## Get Recognized

We are excited to feature suppliers that have joined and are demonstrating results through Project Gigaton in the [Supplier Recognition page](#).

## Access the Sustainability Portal using your Retail Link ID and password

Create new account'."/>

**Gigaton Login**

Please select a method below to log into the portal based on whichever Walmart system you normally use.

Retail Link - Supplier Login

Seller Center - Marketplace Login

Walmart Associate SSO - Login

New to the portal? [Create new account](#)

### Need help with your Retail Link login?

- New Retail Link IDs are approved by your company's Retail Link administrator, not Walmart
- Password resets and ID issues must be resolved with Retail Link support directly
- **Retail Link help** [vendoraccess@wal-mart.com](mailto:vendoraccess@wal-mart.com) or phone +1 (479) 273 8888

# Make sure ALL your company's vendor numbers are in your profile

Then we need your help adding any more vendor numbers used by your company not already listed in your profile.

Missing vendor numbers will result in incomplete reporting. Please be sure this list is complete and accurate.

## Provide any Global Sourcing details to finish setting up your profile

The screenshot shows the 'Your account' page on the Walmart Sustainability portal. The page has a dark blue header with the Walmart Sustainability logo and navigation links for Survey, Dashboard, Programs, and Learning Hub (marked as 'New'). There are also icons for email, language (English), and a user profile (PG). A left sidebar contains links for Company Contact, User Contact, Vendor Details, and Walmart Sourcing (which is underlined). The main content area is titled 'Your account' and includes a sub-section for 'Walmart Sourcing' with the question: 'Do you provide products to Walmart through the Walmart Sourcing (WS) organization?'. Below the question are two radio buttons: 'Yes' (unselected) and 'No' (selected). A 'Save Changes' button is located at the bottom right of the form.

**\* Please also remove any Sourcing Supplier IDs that are no longer valid or accurate for your company.**

# Brand Types

The screenshot shows the Walmart Sustainability Survey interface. The top navigation bar includes the Walmart Sustainability logo and links for Survey, Dashboard, Programs, and Learning Hub (marked as New). A left sidebar lists 'Survey Settings' with options: Questionnaire (checked), Commodities (checked), Goal Setting, and Permissions. The main content area is titled 'Let's get to know your business' and includes a sub-header 'BRAND TYPES'. The first question asks, 'Do you supply Private Brands products, National Brands products, or both to Walmart?' with radio buttons for Private, National, and Both (selected). The second question asks, 'Did you supply Walmart/Sam's Club with Private Brand products in packaging that went home with the customer (i.e., primary packaging) within the last year?' with radio buttons for Yes (selected) and No. A 'Next' button is located at the bottom of the form.

# Review and update your SMART Goals

The screenshot shows the 'Set your goals' page in the Walmart Sustainability dashboard. The page has a dark blue header with the Walmart Sustainability logo and navigation links for Survey, Dashboard, Programs, and Learning Hub. On the right side of the header, there are links for email, language (English), and a user profile (PG). A left sidebar contains 'Survey Settings' with options for Questionnaire, Commodities, Goal Setting, and Permissions. The main content area is titled 'Set your goals' and includes a sub-header 'Set goals in pillars that are relevant to your business.' Below this is a blue information box with an 'i' icon and the text 'Please review each pillar and complete goals within the pillars that apply to you'. A row of seven buttons represents different pillars: Energy (selected), Nature, Waste, Packaging, Transportation, Product Use and Design, and Enterprise Level. Underneath, a 'GOALS' section contains three goal templates, each with a plus icon on the right for expansion. The first goal is 'We will have \_\_\_XX\_\_\_ % renewable Energy Ty... in Area \* by Year Further details'. The second is 'We will reduce Energy Ty... consumption in Area \* by \_\_\_XX\_\_\_ % by Year Further details'. The third is 'We will increase energy productivity by \_\_\_XX\_\_\_ % in Scope \* by Year in relation to our Business outp... business output. Further details'. At the bottom of the goal list is a blue button labeled 'Done with goals'.

# Starting Your Report in Project Gigaton

The screenshot shows the Walmart Sustainability Project Gigaton Reporting 2023 interface. The top navigation bar includes the Walmart Sustainability logo, menu items for Survey, Dashboard, Programs (Project Gigaton), and Learning Hub (New), along with language and user settings. A left sidebar lists navigation options: Dashboard, Reporting (selected), Carbon Footprint, Goals, Permission, and Help. The main content area is titled "Project Gigaton Reporting 2023" and instructs users to "Select an option below to get started with Project Gigaton reporting process." Two primary actions are available: "Create new report" (with a document icon) and "See summary" (with a document icon). Below these is a date selection form with the heading "Select the dates you'd like to report for ?". The form includes fields for "Select Start Date" and "Select End Date", both with "MM/DD/YYYY\*" placeholders and calendar icons, and a "Proceed" button. A small illustration of two people looking at a screen is in the bottom left, and a chat icon is in the bottom right.

# Select CDP Data Year

The screenshot shows the Walmart Sustainability 'Your CDP Data' interface. At the top, the navigation bar includes 'Walmart Sustainability', 'Survey', 'Dashboard', 'Programs Project Gigaton', and 'Learning Hub New'. On the right, there are icons for email, language ('English'), and 'PG'. A progress indicator at the top right shows steps 1-4. The main content area has a breadcrumb trail: 'Report Home / Reported via CDP / Gigaton Calculator / Report Overview'. A date range selector shows '20 Aug 2021 - 20 Aug 2022'. The title 'Your CDP Data' is followed by three tabs: 'Reported via CDP', 'Gigaton Calculator', and 'Total'. Below the tabs, there are three input fields, each showing '0 Tons' and a '+' or '-' button. The text 'Choose which CDP activities to count toward Project Gigaton' is positioned above these fields. A 'Select Year\*' dropdown menu is located below the input fields. A large empty text area is present, with a 'Report new activities' button on the right. A decorative illustration of two people and fireworks is in the bottom left corner, and a chat icon is in the bottom right corner.

# Using CDP Data

**Walmart Sustainability** | Survey | Dashboard | Programs **Project Gigaton** | Learning Hub **New** | English | PG

Report Home / Reported via CDP / Gigaton Calculator / Report Overview | 20 Aug 2021 - 20 Aug 2022

## Your CDP Data

Choose which CDP activities to count toward Project Gigaton

Reported via CDP: 0 Tons | Gigaton Calculator: 0 Tons | Total: 0 Tons

Save | Reset | Previous pillar | Next pillar | Report new activities

# Energy

The screenshot shows the Walmart Sustainability reporting interface. At the top, the navigation bar includes 'Walmart Sustainability', 'Survey', 'Dashboard', 'Programs Project Gigaton', and 'Learning Hub New'. On the right, there are icons for email, language ('English'), and a user profile ('PG').

The main content area is titled 'Please select appropriate questions' and includes instructions: 'Answer from the below list by selecting "yes" or "no" to the questions associated.' To the right of the instructions is a summary bar with three buttons: 'Reported via CDP', 'Gigaton Calculator', and 'Total'. Below these buttons is a progress indicator showing '0 Tons' for each category, with a plus sign between the first two and an equals sign between the second and third.

Below the summary bar are seven category buttons: 'Energy' (selected), 'Nature', 'Waste', 'Packaging', 'Transportation', 'Product Use and Design', and 'Enterprise Level'. Each button has a corresponding icon.

The 'Energy' section contains four questions, each with a 'No' toggle and a help icon:

- 1 Have you purchased or invested in low-carbon or renewable energy?  No
- 2 Have you completed one or more energy efficiency or conservation projects?  No
- 3 Do you use the Resource Efficiency Deployment Engine (RedE) to track your factory energy efficiency projects?  No
- 4 Do you have other energy activities you'd like to report and know how many metric tons CO2e you saved?  No

At the bottom of the form are several action buttons: 'Back To CDP', 'Save', 'Reset', 'Previous pillar', 'Next pillar', and 'Move To Overview'. A chat icon is visible in the bottom right corner.

# Energy example

**Walmart Sustainability** | Survey | Dashboard | Programs **Project Gigaton** | Learning Hub **New** | English | PG

**Please select appropriate questions**

Answer from the below list by selecting "yes" or "no" to the questions associated.

Reported via CDP | Gigaton Calculator | Total

0 Tons + 0 Tons = 0 Tons

Energy | Nature | Waste | Packaging | Transportation | Product Use and Design | Enterprise Level

1 Have you purchased or invested in low-carbon or renewable energy?  Yes

In the reporting year we completed the **Installation of** one or more **Solar PV** projects in our **Own operations (Sc...)**. The actual generation of power from these projects is located in **United States**, grid region (Optional) **ERCOT All**, and is expected to provide **5000000** kilowatt-hours of electricity annually for **6-10 years**.

CO2e Subtotal: 15,621.0 mt + Add More

% China  %

**Calculate**

Total Emissions Avoided: 15,621.0 mt

**How was this calculated ?**

2 Have you completed one or more energy efficiency or conservation projects?  No

3 Do you use the Resource Efficiency Deployment Engine (RedE) to track your factory energy efficiency projects?  No

4 Do you have other energy activities you'd like to report and know how many metric tons CO2e you saved?  No

# Nature

Walmart Sustainability | Survey | Dashboard | Programs Project Gigaton | Learning Hub **New** | English | PG

**Please select appropriate questions**  
Answer from the below list by selecting "yes" or "no" to the questions associated.

Reported via CDP | Gigaton Calculator | Total  
0 Tons + 0 Tons = 0 Tons

Energy | **Nature** | Waste | Packaging | Transportation | Product Use and Design | Enterprise Level

**Protection and Restoration Efforts**

- 1 Have you supported land or ocean protection?
- 2 Have you supported a natural landscape and/or seascape restoration?
- 3 Are you participating in a place-based initiative?

**Sustainable Management - Animal Products**

- 4 Have you used a dairy farm emissions tool to track farm-level emissions reductions?
- 5 Have there been improvement in manure management system(s) for farms in your supply chain?
- 6 Have sustainable practices for grazing land been utilized for beef or dairy production?

**Sustainable Management - Row Crops**

- 7 This reporting question for Field to Market Fieldprint is under construction and coming soon. Please check back later.
- 8 Do you have information on how corn, wheat, or soy farmers in your U.S. supply chain are using fertilizer, cover crops, and tillage? If not, report to question 9.
- 9 Have you sourced row crops grown using sustainable practices?

**Sustainable Management - Other Commodities**

- 10 Have you sourced forest-risk commodities - Beef, Soy, Palm Oil, Pulp, Paper, Timber, Cocoa, Coffee - that have been verified or certified as deforestation and conversion free (DCF)?
- 11 Have you sourced other commodities produced with sustainable practices?

# Nature example

11 Have you sourced other commodities produced with sustainable practices?

Commodities: Coffee Cocoa Pulp, Paper and Timber Palm oil Produce or Cut Floral Tea Textiles

I sourced  MT of  Commodity Name  grown with sustainable practices. This quantity is  :  . The certification number and/or more information about the sustainable practices can be found here:

Optional additional information: This quantity was sourced from  of

I confirm that there is no overlap in the quantities reported in this question and the quantities reported in Question 10.

For the selected commodity either we do not have a calculation method at this time to convert to an associated MT CO2e reduction, or we do not have a calculation method at this time to convert to a Land or Ocean total. Your progress based on available calculation methods will be added to totals.

Yes

# Waste

Walmart Sustainability | Survey | Dashboard | Programs Project Gigaton | Learning Hub New | English | PG

# Enterprise Level

Walmart Sustainability | Survey | Dashboard | Programs Project Gigaton | Learning Hub **New** | English | PG

**Please select appropriate questions**  
Answer from the below list by selecting "yes" or "no" to the questions associated.

Reported via CDP: 0 Tons | Gigaton Calculator: 0 Tons | Total: 0 Tons

Energy | Nature | Waste | Packaging | Transportation | Product Use and Design | **Enterprise Level**

1 Do you have other activities you'd like to report and know how many metric tons CO2e you saved?  Yes

In the reporting year, we have saved \_\_\_\_\_ metric tons of CO2e emissions through \_\_\_\_\_ activities. A description of the changes we made to reduce emissions is as follows: \_\_\_\_\_  
0 / 500

We implemented this change for \_\_\_\_\_ % of our \_\_\_\_\_ and the estimated lifetime of the initiative is \_\_\_\_\_.

A description of the calculation approach or protocol used to calculate the metric tons of CO2e reported is as follows: \_\_\_\_\_  
0 / 500

\_\_\_\_\_ .These numbers \_\_\_\_\_ third-party validated. The name of the third-party validator used is: \_\_\_\_\_

# Get Recognized

## Supplier Recognition ProjectGigaton™

We are excited to feature suppliers that have joined and are demonstrating results through Project Gigaton, Walmart's initiative to reduce emissions in the global value chain by 1 billion metric tons - a gigaton - by 2030.

If your company would like to be recognized by this page, [join Project Gigaton](#) and agree to share your great work publicly!

**CHANGES FOR THE '23 REPORTING SEASON!** Giga-Guru and Sparking Change recognition categories will require companies to set goals in at least three pillars of action in Project Gigaton or a Science Based Target, report progress in at least three pillars, and agree to share their goals and logo. To achieve the more prestigious Giga-Guru status, companies must also report carbon footprint (Scope 1 and Scope 2 emissions). See [FAQ](#) for more details.

# Best Practices

- **Report early!**
- Pay attention to **units of measurement** (MT, kgs, kWh, etc.)
- **Read through all the questions** in each pillar to maximize reporting
- Make sure your **commodity survey settings are accurate**
- **Complete all sections** of the sustainability survey on your dashboard
- Utilize the available **resources on the** Walmart Sustainability Hub

# NEW! Learning Hub

A screenshot of the Walmart Sustainability Platform Learning Hub page. The page has a dark blue header with the Walmart logo and 'Sustainability Platform' text. Below the header, there's a breadcrumb 'Home / Learning Hub' and a main heading 'Learning Hub'. There are tabs for 'All Courses', 'In Progress', 'Completed', and 'Favorites'. A 'Discover' section follows with a sub-heading 'Discover more courses specific to your interest within sustainability'. Below this are filter buttons for 'Language', 'Format', and 'Clear all', followed by category filters: 'All (20)', 'Climate (6)', 'Private Brand (1)', 'Nature (4)', 'Reporting (7)', 'People (1)', 'General (2)', 'Waste (6)', and 'Project Gigaton (1)'. The main content area displays four course cards: 'Fleet Sustainability Video Series', 'EDF Sustainable Transport - How to Use Data and Technology to Optimize Fleet Sustainability', 'Reporting your Private Brands Pulp, Paper, Timber or Palm Oil Data to Walmart', and 'Estimating Carbon Footprint and Accelerating Climate Action Series'. A fourth card is partially visible: 'Introduction to Renewable Energy'. Each card includes a video player thumbnail, a title, a brief description, and category tags. The footer contains the copyright notice '© 2023 Walmart Inc. All Rights Reserved.' and links for 'Privacy | Terms of Use'.
