

Permission to Use Corporate Logo

Walmart would like to be able to announce participation in Project Gigaton by the named company (the "Company"). By providing permissions and logo, you are agreeing as follows:

(i) Walmart, Inc. ("Walmart") is hereby granted a non-exclusive, unlimited, worldwide license to use, display, distribute and exhibit the logo uploaded below (the "Logo"), either alone or together with the Company's description of Company's Project Gigaton goals provided to Walmart by the Company, in connection with Walmart's communications relating to Project Gigaton in all media including, without limitation, announcements, videos, or publications made at meetings, conferences, events, on Walmart's corporate website, Walmart's Sustainability Hub, or any of Walmart's social media channels from time to time and for as long as the Company participates in Project Gigaton.

(ii) All such use of the Logo by Walmart shall inure to the benefit of the Company.

(iii) Walmart shall not alter or modify the Logo.

(iv) Company represents and warrants that it owns all right, title and interest in the Logo and that no other permissions are required for use.

(v) In the event that the Company notifies Walmart of its withdrawal from Project Gigaton, or of its objection of any particular use of the Logo, the parties agree to cooperate to remove the Logo from current webpage content, recognizing that archived documents, PDFs or prior announcements may not be amended.

(vi) You are authorized and empowered to provide the above permission on behalf of the Company.
